*Save your
garden with an
Amari Tank!*

Chris Knights says this about Amari modular tanks...

"An Amari Tank is built to the highest standard and offers extra features at no extra cost, such as two big 1" tap outlets with stainless steel fittings for convenience and durability. Manufactured from heavy galvanised steel in 4 and 5 module designs for superior strength these tanks are built to last (much tougher than your average football player)." *"An Amari Tank is... water for living!"*
